**In re: Restrictions on Over-the Air Reception Devices, CS Docket No. 96-83  
and Preemption of Local Zoning Regulation of Satellite Earth Stations,  
IB Docket No. 95-59**

Dear Acting Secretary Caton:

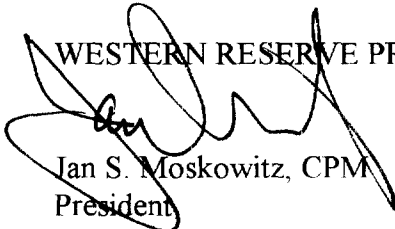

Enclosed herewith is a copy of our lease agreement which I have concerns may contain many terms that could be construed as "non-governmental restrictions" that "impair" viewing, but I am unclear as to how the above captioned rules would apply. I am quite concerned that this uncertainty will create numerous unnecessary disputes with our residents. Consequently, we need clarification and would, therefore, appreciate your guidance in determining which provisions of the enclosed lease agreement contain terms which might be construed as "non-governmental restrictions" or "impairments" under the proposed rules in our case

I, therefore, request that the Federal Communications Commission review our lease form and let us know which provisions would violate either of the proposed rules.

Thank you very much for your prompt response to my request.

Very truly yours,
